### **Leading thermal solutions manufacturer keeps corporate headquarters in Austin**

AUSTIN, Texas- NAI Austin Industrial Specialist Mark Milstead and Land Specialist and Senior Broker KurtVanderMeulen negotiated the lease renewal of 15,937 square feet of office and warehouse space in Northwest Austin to JMC Products. The headquarters, located at 10315 Metropolitan Drive, Suite A, serves as a hub for inventory, management, and shipping globally.

JMC Products, started in 1991, sells cooling products worldwide with an emphasis on long-lasting customer relations. Between Asia and North America, JMC Products has 800 employees and recently opened a factory in Dong Guan, China. The company supplies products such as all CPU fans for AMD™ and Intel® processors, AC and DC fans, and the patented Intellifan™.
