NAI Commercial Industrial Properties Co. helps pump up South Austin retail space

AUSTIN, Texas-NAI Commercial Industrial Properties Co. has leased a 1,200 square foot retail space to ReEvolution Fitness. The tenant was represented by Leo Morales of the NAI CIP Retail Team. The newly leased retail space will be ReEvolution Fitness' first-ever location and can be found in the Cannon Oaks Shopping Center at 3421 W. William Cannon Drive, Suite 131. In addition to ReEvolution Fitness, the Cannon Oaks Shopping Center is home to Long Orthodontics, Blockbuster and Brodie Animal Hospital. This new addition to Austin's fitness-minded community will cater to a more affluent clientele and will open its doors in December.
